

1. **Make one copy** of each of the two units. Make sure that it will be exactly 12" finished.
2. **Remember** that the printed pattern is a mirror image of the design. You will be placing your fabric on the unprinted side and sewing on the printed side of the letter pattern. Read [Foundation Piecing Basics Vol 1](#) for general paper piecing instructions.
3. **Main Fabric:**
  - 10" x 15" piece of a medium or dark for the ribbon
4. **Background Fabric:**
  - 10" x 20" piece of a light
5. **Unit A:** Piece in numerical order. Place Piece Number 1 face down on side of the paper without lines by placing a small amount of glue stick in the center to hold it while you place the second piece.
6. **Add** Piece Number 2 and through Number 13 Pressing between each step. You will have completed Unit A.
7. **Unit B:** Add Piece Number 1 as above and then continue adding each piece through Piece Number 7. Press between each step.
8. **Press** well and trim  $\frac{1}{4}$ " around the finished size of each Unit.
9. **Sew** unit A to unit B. Press well.
